

America's 911 Foundation: **May Newsletter**

Spring has officially sprung, and events are back in full force! Thank you to everyone who has continued to promote our foundation this winter, whether through fundraisers or events. We are excited to see what this Spring has to offer. We hope to see you at one of our events soon

Also, over 300 individuals applied for our scholarship this year and we are pleased to announce that we have been blessed, and we will be awarding 18 scholarships in May as opposed to our normal 15! Prayer for the First Responder

Lord, we humbly pray that you be with all first responders this month in the wake of life, frustration, and the fallibility of man. As the EMT's rush to revive individuals they've never met, lift their spirits and guide their hands, as firefighters run into buildings ready to collapse, grant them courage and protect their bodies, and as police officers patrol every day, help them to spread light into a world of darkness while they serve and protect. Thank you for all your wonderful blessings, AMEN.
