America's 9/11 Ride

Are you signed up for this year's America's 9/11 Ride? The ride is our largest fundraiser for the Foundation and for our scholarships, but it's also an incredible opportunity to remember September 11, 2001. We'll be meeting in Somerset, PA on Thursday August 15th to prepare for our venture to the Pentagon in Arlington, VA and then to NYC! Sign up now on <https://americas911ride.org/registration.php> and tell a friend – see you there!

If you have already signed up for the ride, be prepared to receive your information card in the mail starting in early August. You'll want to have this card for registration! Other ridership *checklists* include:

1. Cash for gas
2. GET YOUR BIKE SERVICED BEFORE LEAVING
3. Bring your EZ Pass (or be prepared to pay by mail)
4. Look out for the ride booklet to be placed on the website

Prayer for the First Responder

Lord, we humbly pray that you be with all first responders this month in the wake of life, frustration, and the fallibility of man. As the EMT's rush to revive individuals they've never met, lift their spirits and guide their hands, as firefighters run into buildings ready to collapse, grant them courage and protect their bodies, and as police officers patrol every day, help them to spread light into a world of darkness while they serve and protect. Thank you for all your wonderful blessings, AMEN.

Also, find us on social media! We are active on both Facebook and Instagram. Interact with us, join us at an event near you, and spread the word! We are just a group of individuals who want to make a difference by supporting those who protect us every day and by never forgetting those who lost their lives on September 11, 2001.
