Please Review Both**

We hope all is well and you are ready to ride!

Things to do before the ride and remember to bring:

- Have your bike serviced to make sure it is in good shape
- Bring your EZPass – if you do not have EZPass you may get a toll bill by mail
- Bring cash for fuel stops. Pumper Team keeps the pumps rolling for faster service.
- Bring your post card to speed up registration. If you do not have one and you are registered you will be on our master list.
- Helmets must be worn at all time during the ride.
- If you think it may rain put on rain gear before leaving.
- Be Safe and Enjoy the Camaraderie!!
