America's 911 Ride Updates

Corporate Sponsorships are needed: if you can suggest a company, please email Lisa

ROAD CAPTAINS ARE NEEDED:

Due to the anticipated larger size of this year's America's 9/11 anniversary ride, we may need additional volunteers to serve as Road Captains during the event. The role is to help guide the ride safely and provide crucial communication about breakdowns or any other emergencies during the ride. We do not block intersections or interfere with traffic etc.

Interested volunteers need to have been on the 9/11 ride for a minimum of 2 prior years.

If you are interested, please send an email to Road Captain Coordinator, Executive Board member Evan Forrester at evforrester@gmail.com

Please include your email address, cellphone number, and information on which prior rides you were on.
